Dear Dr. McAllister:

Thank you for informing me of The Council's contribution of \$2,000 in partial support of the Montana State University/UCLA Symposium entitled the "Molecular Basis of Oxidant Injury by Leukocytes" to be held in Big Sky, MT, Jan 28 - Feb 1, 1991. We understand that the check for \$2,000 will be sent to the UCLA Symposia office in Los Angeles. On behalf of the organizers, I gratefully acknowledge this support.

We accept The Council's request that these funds not be used to reimburse expenses incurred by participants from the industrial sector. Also, we will make sure that one registration slot for attendance is held open for a representative from your organization. We look forward to the participation of The Council and will keep you informed of any significant developments and schedules.

Thank you again for your consideration and generous support of this meeting.

Sincerely,

Algirdas Jesaitis, Ph.D.
